Unused for over 25 years at St. Mary's R. C., Shawnee, OH. In 1992 the organ was moved and reinstalled here by some 50 volunteers from the church. S. L. Huntington (of Stonington, Connecticut) worked with Herbert and Marianne Huestis (Ladner, BC, Canada) on the restoration and installation in Chehalis.

Painted decorations copied from the original facade pipes. Amy Huestis, student at Concordia University, Montreal, prepared stencils which reproduced the original colors.
